CARTE POSTALE. POSTKARTE.

(For Address Only.)

Luther's Monument stands in the centre of the Luther-platz. It is an imposing memorial of the great German Reformer, designed by Rietschel in 1856 and modelled by Kietz, Dondorf, and Schilling of Dresden, the construction being completed in 1868. Luther's statue, eleven feet in height, surmounts a massive platform and pedestal decorated with allegorical figures and sculptures.

Printed in England.
